What's Happening

In religion we talked about how God gave us friends. We discussed how they are a gift from God. We identified ways that friends help us to discover God's world and ways we can show our friends God's love. We attended mass and read and discussed our Promise magazine. In language arts we worked on phonemic awareness, encoding, decoding, comprehension and handwriting. We also read and discussed our Scholastic News. In math we worked on fractions (halves), and ordinal numbers through ten. We did many activities around Valentine's Day.

Odds and Ends

We will be attending mass next Wednesday. Please send a non-perishable food item if you can. We will have a small Valentine's Day party on Thursday. If you send a treat please make sure it is peanut free and not made where they manufacture peanut products. Just a reminder to wear a shirt that you can read next Tuesday and bring a flashlight to read by for Friday. Father Paveglio will be coming to our class to read to us next Friday.
